On perusal of the National Backward Krushi Vidyapeeth Solapur in India Act. 2016 (copy enclosed), it has been observed that Government of Maharashtra vide notification dated 02.03.2016 has declared National Backward Krushi Vidyapeeth Solapur in India as an Institutions of National importance.

Institute of National Importance (INI) is a status that may be conferred on a premier public higher education institution in India by an act of Parliament of India, an institution which "serves as a pivotal player in developing highly skilled personnel within the specified region of the country/state".

In view of above you are requested to clarify the status of the University, i.e., whether it is a State or State Private University or Institute of National Importance

Yours faithfully
